## Where is Universidad Europea Located?

We have campuses in Madrid, Valencia, and Canarias. Please watch the videos of each campus:

[Madrid](#) [Valencia](#) [Canary Islands](#)

## What ranking is UE in?

We are ranked by several organizations, including the most respect Shanghai Ranking, as the most important private university in the entire country.

## What programs are 100% taught in English?

- International Business, Economics
- Business Administration, Marketing
- Industrial / Computer Engineering
- Aerospace Engineering
- Dentistry
- Psychology
- Physical Therapy
- Sports Management
- International Relations
- Tourism and Hospitality Management.

## **What degree programs are available at UE?**

We have 4 faculties:  
Health Sciences, Engineering, Architecture and Design, Social Sciences and Business and our Sports Faculty in alliance with Real Madrid Football Club.

We have over 76 programs from Medicine, and all areas of health sciences, to all areas of Engineering. Our Business School is the first ACSBP accredited business school in the country, the same certificate of top business schools in the US.

And finally, our Sports Faculty offers Sports Management, Physical Therapy, Sports Coaching and Preparation lead by Real Madrid FC.

## **How many years does it take to complete a degree program?**

Most programs are 4-year-long, except medicine: 6 years, dentistry: 5 years and architecture: 5 years, as it requires a master.

## **How close is the University to Downtown Madrid?**

It is 25min ride by bus from Madrid Centro. The campus is located in an upscale country club area of Madrid called Villaviciosa de Odon. Very safe and with a little downtown full of shops, supermarkets, and restaurants at your reach.

## **Where is the Valencia Campus located?**

We are located in the heart of the city, in the University City area. It is walkable to the old town, beach and seaport. Valencia is a great city for students from all over the world and with incredible weather. Valencia is the 3rd most important city in term of business and job opportunities in the country. It is also less than 2h by train from Madrid.

## **Do you offer scholarships?**

Yes, we do have partial scholarships for high performing students and Official student Athletes that represent the state or the country in any sport. Our scholarships ranges from 10 - 40%.

## **Is it more expensive to study in Spain than in my own country?**

No! Our tuition ranges from EUR 800/month to EUR 1,350/month aprox. Living expenses in Madrid are around EUR 1,300/month on campus and EUR 1,000 off campus. And you don't need a car! Madrid public transport is one of the best in all Europe.

## **Where can I live?**

We have several options. On campus there is a state-of-the-art residence, that offers single and double rooms. All of them with private bathroom and meals included. We also have other options off-campus, residences, and apartments for rent. Please contact us and we will provide further information.

## **How can I Apply?**

We have an office in Mexico City. Please contact us to help you with the admission process and exempt you from the application fee (EUR 150). We will help you with the application process, homologation, visa processing and accommodation at no cost.
