
master of arts in

INTERIOR DESIGN

The MA in Interior Design (Second Level Academic Degree in Design) develops all-round professional profiles ready to enter the global marketplace. In the contemporary world, interiors play an increasingly important role in individual and collective living spaces of global cities, becoming part of a complex physical and narrative system. The MA enables its students to deal with conceptual and operational issues through an interdisciplinary approach open to innovation and cultural exchange, and different project experiences led by international professionals.
