

Engineering – The Built Environment, Bachelor of

Honours Degree

Program Code: BE411

Campus: North

Length: 8 semesters starting in September

Work Placement

A co-op work program (three consecutive work terms, 420 hour each) ensures that work-integrated learning experiences are woven into the curriculum. This provides students with a contextual understanding of the industry and specific sectors they are training for, as well as recognition of the importance of hands-on experience.
